

January Newsletter 2023

- A message from the County Commissioner -

Happy New Year! Lets make 2023 a year full of Getting Together, Fun and Friendship. Lets Build on our membership so as to provide more opportunities for both leaders and young people. I am exited that this week we launched out pack activity pack Lets Build-Adeilada Amdani. The profits from this badge will go towards developments in Gorwelion including starting to make the little site more accessibly friendly.

As I reflect upon last year we steadily grew our guiding membership and met my target of being over 1600 in fact it was 1641. However, I looked today (19/1/2023) to find we are 1583. Please can you keep your unit membership up to date these figures are viewed by the County, Wales and UK regularly. They have a significant impact upon Girlguiding and Future planning.

With the new leadership training program being rolled out I am pleased to say that 2 very new members to Girlguiding Leadership have nearly completed this. I am looking forward to the opportunity to discuss their experience of the new program.

I hope to meet more of you this year and attend events. To shape Girlguiding in Central Glamorgan few questionnaires have been sent out via groups, emails and commissioners. Its your opportunity to influence how we develop Girlguiding in Central Glamorgan so please take the time to fill them in.

With more opportunities and developments we do need advisers. Please see the advert and give it a thought. It's a gear opportunity to learn more about an area, support the county and wider structures in Guiding. We need your support - there is no I in TEAM.

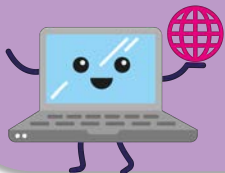

Thank you for you commitments to this fantastic organisation

Whats in
the News?

12th Aberdare

Following a successful Sponsored in the beautiful surroundings of the Dare Valley Country Park, 12th Aberdare Hirwaun Guides, Brownies and Rainbows raised enough money for some worthy causes. £300 was taken to The Gambia by one of the leaders and presented to the headmaster, Mr Sanneh Jobarteh to help with the running of Mansu Maru Nursery School. The staff and pupils were overjoyed to receive much needed funds. Another £300 was presented to the Children's Renal Unit in Cardiff by Ffion, who had received a kidney transplant there. A special well done to all our members who helped raise the money for such worthy causes.

CENTRAL GLAMORGAN TREFOIL GUILD

In 2023 Trefoil Guild will celebrate its 80th Birthday. Throughout the year there are many activities and challenges which each Guild can participate in. Please ask your Guild Chair to show you what Wales has planned for the year also UK.

With Thinking Day in February, Wales have planned to celebrate with the distribution of a Peace candle to each County Chair, who will then pass it to County chairs. I hope you will be able to celebrate with your Guild and if possible your Division.
